Lyrics: Robb & Ruth Sutherland

V1. Through these days of dark and fear, through the hours of lon - li - ness;
V2. Through this land of bro - ken dreams, through the bar - ren wil - der - ness;
V3. Through the sav - ing grace of Christ, through His sac - red mys - ter - ies;

Days of strife and nights of tears, hold I to Thy prom - i - ses.
Emp - ty fields and dried up streams, cling I to Thy faith - ful - ness.
Lamb of God, my sac - ri - fice, make me ev - er one with Thee.

Thou, the Lord who stilled the waves, calm these anx - ious thoughts of mine;
Thou, the Lord who raised the dead, heal this bro - ken heart of mine;
Thou, the Lord who con - quered death, Pres - ence True in bread and wine;

Make my weak heart strong and brave; Keep me in Thy Love Di - vine.
In Thy foot - steps would I tread; Keep me in Thy Love Di - vine.
Sing it with my ev - 'ry breath; Keep me in Thy Love Di - vine.
